Re: Colorado Bar Association Convention

Gentlemen:

I greatly appreciated the fine cooperation that your station and CBS News gave us when we had the difficulty of not being able to have Mr. Kalb come for the Convention. As it turned out, Mr. Drasnin was an excellent speaker who received quite a few comments about not only his knowledge but his ability of presentation. He was most cooperative and most enlightening and I look forward to the December 30th showing of his documentary on Nixon's trip to China and the American public's attitudes toward the Chinese.

On behalf of the Bar Association and myself, I want you to accept our thanks and appreciation for what you did for us.

Sincerely,

John E Clough

Dear Irv:

At this time I write to thank you for your outstanding contribution to our program last Friday morning. It was wonderful to have you with us, and for you to accept on such short notice. I have heard any number of very favorable comments on the program, and I heard it myself and agree with all of these. Your own contribution was particularly interesting and outstanding and you helped us make a program which everyone thoroughly enjoyed.

I hope you and your wife had a good chance to see our State. I am sorry that we didn't have a chance to spend more time with you, but these kinds of meetings seem to make their demands on the incumbent President.

Thanks again for everything you did for the Colorado Bar Association.

Sincerely,

Bill Cantwell

Dear Mr. Drasnin:

Thank you very much for your participation on our program Friday morning at the Bar Association at the Broadmoor. I heard any number of very favorable comments on it. I personally enjoyed it and learned quite a bit of information that will spur me on to further study. I thought your contribution was outstanding.

I hope you had a chance to enjoy yourself at the Convention, and on behalf of the Association and myself, I want you to realize our deep sense of appreciation for what you did for us.

Please send us a statement of your expenses for travel and otherwise that have not been taken care of by the hotel, so that we can reimburse you at the earliest moment. Thank you again for your kind assistance.
